2020 Stitch Along Birds and Blackwork Flowers

CROSS STITCH AND BLACKWORK PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Lesley Teare's exciting new SAL to be released monthly in 12 parts throughout 2020. Featured below is a part of the **January** Bird and Blackwork Flower motif. More images will be added as each part becomes available each month.

The design includes 12 boxes or windows, with delightful little birds moving about, flying in and out or unsteadily perched on a flower. Colors are fresh and vibrant, contrasting with the black outlines.

The piece is worked in mixed techniques. All color parts are stitched in cross stitch (with some fractional stitches for detail). Flower petals by contrast are filled with lace-like Blackwork mini motifs, in **Lesley Teare's** signature style.

Blackwork is a counted thread needlework technique worked in backstitch or double running stitch (see link below for detailed information). Blackwork motifs appear as a line on the chart, similar to backstitch on a regular cross stitch chart.

Fabric wise, the designer recommends stitching on 14ct white Aida or 28ct white linen or evenweave.
