CROSS STITCH AND BLACKWORK PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Available as a subscription, **Lesley Teare's** exciting new SAL will be released monthly in 12 parts throughout 2021. It features 12 delightful china tea cups with a new cross stitch chart becoming available each month.

The design layout is elegant, with elements of symmetry, but each of the cups is different. Birds, flowers, bees and butterflies give the pattern a lively touch.

The cross stitch chart includes small areas worked in backstitch, revealing the designer's love of Blackwork. The design also includes French knots (which you can substitute with seed beads) as well as some fractional stitched for detail (cup handles).

Get a head-start and download both [legend and frame chart](#) now. The chart includes the cross stitch frame as well as guide lines for positioning the cups. We suggest you cross stitch the cross stitch frame ahead of time and baste the guide lines to save time and avoid any errors when cross stitching each new tea cup.

SAL release dates

Each of the 12 charts is released as of the **first of each month** as of **Jan 1st 2021**. If you missed the Jan 1st start, no worries, you can "catch up" at any time during the year.

The complete chart will be available as of **December 1st 2021**.

Download your chart each month in the [SAL Subscriptions section](#) (sign in required).

The price listed is for the complete series (all 12 parts).
