CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Available as a subscription, Lesley Teare's exciting new SAL will be released monthly in 12 parts throughout 2024. It features 12 birds native to North America, with a new cross stitch chart becoming available each month.

The design is set within a frame, which you can stitch ahead of time and will help you position each bird as it becomes available. Each part will feature all previously released parts of the chart, as well as the additional bird.

The chart is mostly cross stitch, with areas outlined in backstitch, a couple of French knots as well as some fractional stitches for detail. Each bird motif is very colorful and full of rich detail.

The piece is stitched on any white fabric of your choice, be it Aida, evenweave or linen.

Get a head-start and download [both legend and frame chart](#) now so you can source all your supplies. This chart includes the cross stitch frame which we suggest you cross stitch ahead of time so you only need to fit a new bird motif every month.

Note: Lesley Teare is offering not one, but two 2024, with the companion [SAL British Birds](#) sold separately. Why not stitch both?

SAL release dates

Each of the 12 charts is released as of the first of each month as of Jan 1st 2024. If you missed the Jan 1st start, no worries, you can "catch up" at any time during the year.

The complete chart will be available as of December 1st 2024.

Download your chart each month in the [SAL Subscriptions section](#) (sign in required).

The price listed is for the complete series (all 12 parts).
