Birds in Autumn

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

The swallows and wild geese are starting on their way home, pheasants and quail are on the lookout and the spotted flycatcher and goldfinch are gorging on grain and berries, preparing for the tough winter times. Only the tranquil teal seems oblivious of its surroundings, floating on the pond, neck tucked snugly inside its feathers. The autumn palette of colors is strikingly beautiful.

This beautiful design by Lesley Teare, an expert at depicting birds in cross stitch, is part of a series of four seasonal patterns, each with different birds, wild flowers and fruit.

The chart comes with an extensive Cross stitch Guide detailing all stitches including fractional stitches.
