CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

This is a stunning design with a wooden dresser filled to the brim with plates, cups, bowls and all sorts of items including a vintage kitchen scale. All china items on the dresser are blue and white porcelain which gives the design a unique look.

The design is exquisitely detailed, with every item worked in a combination of cross stitch, backstitch and fractional stitches so as to define its shape as precisely as possible.

This large pattern requiring time and skills is for expert stitchers only. There is a smaller dresser design also by Lesley Teare, the [Country Kitchen dresser](#).

A cross stitch pattern by Lesley Teare Designs. It comes with a guide detailing every stitch, including fractional stitches.
