**Dawn Fairy**

**CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs**

Gently rising with the sun, in the soft light of dawn, here is **Lesley Teare's** Dawn Fairy. Her sumptuous dress is beautifully embellished around the neckline and waist, and perfectly draped, in many hues of light blue, while the lining shows a starry night. Butterflies accompany the fairy as she spreads her wings in the early dawn. A beautiful metaphor of morning. The cross stitch design is enhanced with beads and metallic highlights. The fairy's face and body is worked in much detail, for a perfect line (includes fractional stitches). You can pair this piece with the matching Dusk fairy.

The chart comes with an extensive **Cross stitch Guide** detailing all stitches including fractional stitches.
