Decorative Willow Plate

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

This is a beautiful oriental design in a round shape. It features a waterside pavilion, with a willow and long branches overhanging. A boat passes by and you can glimpse another pavilion on the opposite side of the river.

The cross stitch is quite straightforward, with full cross stitches only and a couple of backstitch details.

You could apply this very decorative design to a cushion cover. Alternatively you can frame it. An option would be to use embroidery hoops as the design is round.
