**Flower & Butterflies Blackwork**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Some lovely butterflies, with detailed wing motifs, fly around an ornamental flower.

The flower is designed in Lesley Teare's signature mix of Blackwork and cross stitch motifs, with different areas filled with tiny blackwork motifs and exquisite detail. By contrast, the butterflies and the heart of the flower are richly colored and stand out against the flower, providing characteristic depth.

There are highlights of golden thread as well as decorative seed beads

The pattern is the perfect size for turning into a cushion. There are 3 matching pieces in the series, why not stitch them all?

The chart comes with an extensive Cross stitch Guide.
