Flower Calendar sampler

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Keep flowers all year-round in your home thanks to this pretty cross stitch sampler brought to you by Lesley Teare.

Each featured flower is exquisitely depicted and will be a delight to stitch. Why not challenge yourself to stitching one per month?

You can either cross stitch the whole sampler, with the colorful border, and display all year round, or stitch each flower individually and display one for each month.

For greater detail in particular at the junction of stems and petals, the chart includes some fractional stitches. These combine a quarter cross stitch in one color and a three-quarter cross stitch in the other color. You will find details and diagrams in the helpful cross stitch guide provided with the chart.

Creative Poppy Tip:

Don't let the chart fall into oblivion once you're done: the cross stitch chart can double up as a throve of Birthday cards for your loved ones
