CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

This playful cross stitch design shows a miniature garden landscape, within a shape of a teapot.

The cross stitch pattern is full of garden motifs, including gardening tools, a watering can, a scarecrow, a bird house and plenty of flowers. The lid and spout of the teapot are entirely covered with tiny vegetable motifs. A small snail has climbed on the handle. Bees are buzzing around.

There are two matching designs in the teapot gardening series (see below). You could place them side by side on the wall of your dining area or kitchen. The stitched piece will also look stunning on the large front pocket of a kitchen apron.

The chart comes with an extensive **Cross stitch Guide** detailing all stitches including fractional stitches.
