30 mini motifs - Blackwork & Color

BLACKWORK PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

This chart is chockfull of small mini motifs that have been stitched in Blackwork. Like cross stitch, Blackwork is a counted thread technique, with stitches represented on a grid. A majority of stitches are backstitch, with some cross stitch filling certain areas and adding...precisely, color!

There are a great many varieties of designs, with flowers, birds, bees & butterflies, and more geometric motifs. They also come in several different sizes so you can find the perfect pattern whether you're stitching a gift tag, birthday card or a small purse.

Given each motif's small size, the pattern is ideal for anyone wishing to give blackwork a try for the first time. Once you're done with your first motif, you'll be coming back for more.

The chart comes with an extensive Stitching Guide detailing all stitches including fractional stitches.
