Motifs for Tiny toddlers

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

With vivid greens and pink, and sunny bright yellows, this cross stitch design is ideal for stitching for young children.

You can stitch designs individually, either of ready to stitch items, or using waste canvas or soluble canvas for stitch on regular fabric. So you could stitch on a white child's T-Shirt for instance.

The chart includes plenty of letters sizes for customization. You can also add small initials into the motifs. Spot the letter "B" shown in the teddy and umbrella motif, or hidden in the yacht's sails.

You can also cross stitch the piece as a whole. Maybe to celebrate a child's third or fourth birthday. It will be very decorative in the children's bedroom.

Save the chart for later use. It's sure to become handy for other projects.

The chart is easy to stitch with no fractional stitches. It comes with a Cross stitch Guide.
