Little by little, twig after twig, this little bird is making its nest. Bird expert cross stitch designer Lesley Teare, always perfectly captures the delicate little creatures in cross stitch. This little bird, is observing us from the corner of its eye, ready to fly away should we move ever so slightly.

A pretty cross stitch project, is easy and fun to make.

Simply display it in an embroidery hoop or frame it with light blue or pink colors, matching the colors used for stitching.

The chart comes with an extensive Cross stitch Guide with instructions for cross stitches.
