The Potting Shed is a unique cross stitch design by **Lesley Teare**, featuring a teapot in the form of a garden cottage.

The tea-pot lid is a vegetable garden, its tip a beehive. The cottage shed has a "T-break" sign on the door. The window is open with a cat lying on the windowsill. In front are various gardening tools such as a wheelbarrow, a garden broom, a watering can... A giant sunflower and various other plants are growing against the shed. A red robin is perched on the broom and Bees are buzzing all around.

The chart comes with an extensive **Cross stitch Guide** detailing all stitches including fractional stitches.
