**Owl Sampler**

**CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs**

Fun to cross stitch, here is a sampler with an owl for each month of the year, from January to December. See photos of the stitched models below.

In September a Mum keeps her baby snuggled against her, to keep her warm. In November the owl watches leaves fly in the wind, keeping warm with a cup in hand. And for December, it's a Christmas owl, of course!

The chart comes in two sets. You can cross stitch the full sampler, or you could stitch each little owl

individually. These will work great for Birthday cards as you can send one for the appropriate time of year.

Tip: you can personalize the color of the small frame with the dominant color of the month.

The chart includes a couple of fractional stitches and comes with an extensive **Cross stitch Guide** detailing all stitches.
