Seasonal Shaker style sampler

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

This year-round pattern features four Shaker houses, one for each season.

Notice the houses are tall and with many windows. Indeed, the Shakers - a Christian religious group that originated in England, and developed in North America as of the late 18th century - practised an alternative lifestyle based on their religious beliefs, and lived in large communal dwellings that housed all members of the community.

In front of each house is a stylised garden scene with trees and birds as well as a patchwork quilt for each season.

The pattern forms a pair with the [Georgian Garden Sampler](#). There is also a [matching pattern](#), likewise designed by Lesley Teare, featuring larger Shaker houses.

The cross stitch pattern includes a couple of fractional stitches for detail. A tutorial is included with the chart for all stitches.
