Snow Deer

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Christmas, close to nature:

This cross stitch design by Lesley Teare is full of simplicity and natural charm. There is a single tiny touch of red, a bead for the nose of the reindeer, and the rest is only stitched in white on a natural linen fabric background.

The round wreath design can be framed in an embroidery hoop, as pictured. You can embellish it with a thin red satin ribbon. Refer to our tutorial for the [double-bow embellishment](#) on our [stitcher resource and free tutorials page](#).

There are a couple of French knots in the design which can be substituted with pearl seed beads.
The chart comes with an extensive **Cross stitch Guide** detailing all stitches.
