Vegetable Alphabet

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Aubergine to Zucchini...

Each letter can be stitched individually to compose words (see kitchen below) or as shown here as a sampler.

Note: most letters have a matching vegetable however some artistic licence has been used as there are some letters with simply no match.

Pattern includes 4 additional motifs without letters that can be used for special cards for garden friends.

Designer tip:

Great fun to stitch for the kitchen especially if you alter the colours on the letters to match the decor.

The chart comes with an extensive Cross stitch Guide detailing all stitches including fractional stitches.
