CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Lilli Violette**

The room is beautifully decorated. A little girl, perched on a box is hanging up the last ornaments. Someone brought the tree, rolling it inside on a cart. Everybody's baked a cake for the Christmas party. Oh, and here comes a friend with yet another.

All the cakes are proudly displayed up on the shelf. They come in every shape, with thick layers of cream and chocolate, and plenty of sugar icing and decorative bits. Baskets of goodies have been hung underneath. It's all so pretty, it would be a pity to eat. So let's cross stitch them!

Another delightful **Lilli Violette** pattern to cross stitch in anticipation to Christmas, with lots of yummy stuff that won't make you gain an ounce!

The pattern, originally designed with the Italian "Buon Natale" at the base, comes with an additional chart with the words "Happy Christmas" if you would like to substitute it with English.
