Halloween Party

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lilli Violette

Do you recognize them, those three friends, ready to party in fancy Halloween outfits?

The skinnier one on the right, is disguised as a cat, with a mask over her eyes, and a pair of whiskers. A mouse is seated on her head. They form a nice pair with their matching tights and T-shirt.

The plumper lady in the center, is wearing a pumpkin-like skirt matched with an elegant black velvet waistcoat. She has taken a broom along, as well as a basket, no doubt filled with little goodies.

The third lady on the left is dressed in a black dress with polka dots, fitted at the waist, but a little patched up here and there. A little spider is hanging onto the tip of her pointed hat.

Polka dots, one of designer Lilli Violette's pet feature, are everywhere. Even the white cat is dotted with black spots, maybe disguised as a Dalmatian!

This picture is part of a series of cross stitch designs by Lilli Violette with the same three friends going out and about together. Collect them all and switch them around for each season.
