CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lilli Violette

Have you ever dreamed of having your very own little needlework shop?

Thanks to Lilli Violette, it will be a dream come true, at least in cross stitch!

The cross stitch designer imagines working there with a friend come to assist her. On the table are rolls of fabrics, in a basket balls of wool. On the walls and in every corner, knitted and cross stitch samples are displayed. Everywhere shelves are full of ribbons, of rolls, of books and patterns, of everything you can imagine finding in a haberdashery.

It's Christmas time too so there is a Christmas tree in the corner of the shops, as well as patterns with angles and hearts, as well as a beautiful wreath.

A cross stitch pattern by Lilli Violette.
