CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lilli Violette

A superb collection of bowls, no two alike, displayed on a wooden wood shelf. Towels freshly ironed, in dapper colors. Flowers and dried peppers high up and bunting hung from the ceiling. A bouquet of fresh flowers. Two small decorative hens ...

I love my kitchen, it makes me feel good to be there. I makes me want to cook ... or maybe start cross stitching!

Creative Poppy tip: Make this pattern your own: indeed the pattern comes in 2 main colors of red and blue used for the bowls, teatowels, apron and bunting. You could easily substitute these with colors of you choice.

A cross stitch pattern by **Lilli Violette**.
