CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Lilli Violette**

The story of Pinocchio, the boy whose nose gets longer the more lies he tells, is known and cherished by children worldwide. It's the tale of a poor woodcarver named Geppetto, who makes a wooden marionette and when it comes to life, adopts it as his son. But the boy runs into mischief...

This cross stitch piece comes in bright elementary colors, evocative of those painted on children's wooden puppets and is perfect for decorating a child's room. The stitched piece was mounted on a vintage style child's suitcase. A pretty idea!
