Practically Perfect

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lilli Violette

In this cute cross stitch portrait by **Lilli Violette**, Mary Poppins is blowing in "on the East wind" and using her magic to land into Cherry Tree lane, where she will be looking after the two children.

Wearing a dark and sober - yet elegant - outfit, coiffed with a black hat and holding on firmly onto her large umbrella, she is "practically perfect in every way". Below, is a silhouette of the London skyline, with its roofs and windows brightly lit.

The cross stitch pattern is seemingly black and white but in fact includes little touches of color that add to the richness of the design.

A cross stitch pattern by **Lilli Violette**.
