CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Lilli Violette**

It's a lovely day to spend at the beach and our three friends are wearing delightful outfits.

The first of these three friends is the most fashion conscious. She is fresh and dapper with her little navy sailor top, her short white skirt and an unlikely hat. She is the one carrying the picnic basket.

The second one is already wearing her bathing suit, having simply slipped on a pair of red shorts. She is carrying a swimming ring around her waist, ready to jump in.

The third lady however looks very comfortable, fully dressed in her cotton skirts and petticoats. It's a beautiful summer day and she's going to enjoy the beach the way she is.

One thing is for sure, they have every intention of making the most of their day at the beach!

This picture is part of a series of cross stitch designs by **Lilli Violette** with the same three friends going out and about together. Collect them all and switch them around for each season.
