A is for Apple (alphabet and picture dictionary)

COUNTED CROSS STITCH CHART BY MARIA DIAZ

Here's a fun picture dictionary pattern with some well chosen objects the kids will love (G is for Ghost, I is for Ice cream...).

You can stitch it as it is and frame it for the nursery or playroom. You could also cross stitch some of the items and make a lovely textile picture book, to read to baby. Or why not stitch their name and help them learn the letters associated with each character. You won't run out of ideas and can reuse the pattern several times!
