Maria Diaz - Curly Alphabet ABC (cross stitch pattern chart)

Curly Alphabet ABC

COUNTED CROSS STITCH CHART BY MARIA DIAZ

If you're looking for a cute girly alphabet to complete a stitching project, this is the perfect chart. It works beautifully to stitch a girl's name onto any item of your choice, be it a tote bag, a bath towel, a room plaque or any other creative ideas you come up with.

The alphabet comes in 4 pretty colors. If combining with another cross stitch motif we suggest you pick colors used in the other design for stitching the letters, this will give you stitched piece a uniform and harmonious look.

Maximum height of a letter: 20 stitches

(take this number of stitches into account if you are going to stitch on a baby bib, a terry towel or any item with a band to stitch that is limited in height).

The chart pack includes a blank grid to help you compose a name before stitching.

Other stitching ideas: Welcome banners, birthday banners.
