COUNTED CROSS STITCH CHART BY MARIA DIAZ

This cross stitch design by Maria Diaz features 4 delicate orchids, each in their distinctive pot. Regarding the layout, there are many options. The pattern can be stitched as a whole with the 4 pots positionned in a square, but it will look lovely too when framed individually or as a triptyc, with 3 of the patterns stitched a single horizontal row.

There are many ways to personalize this pattern. The pattern includes a colorful light blue background which could be omitted if you'd like a uniform background and don't want to stitch that area. Alternatively, you could stitch each pattern on a light color of linen fabric. The natural hues of linen fabric will work well with the beautiful soft color range selected by designer.
