## Christmas Biscornu (table center piece with tealight)

COUNTED CROSS STITCH CHART BY MARIE-ANNE RETHORET-MELIN

Glowing red and gold, this reversible biscornu makes a delightful centrepiece for your Christmas table. We suggest you stitch several pieces depending on the size of the table. You can either stick a tealight candle in the center or stitch a decorative golden button in the center of the biscornu.

The biscornu is embellished with gold floss and golden metal sequins. The red floss is from DMC Satin floss range, which adds a silky feel to your stitching. And finally the biscornu was stitched on DMC Linen Aida which makes for easy stitching (but could also be substituted with 28ct linen).

A design by Marie-Anne Réthoret-Mélin.
