## **Colors I love: Deep Blue Scissor case & Scissor fob**

COUNTED CROSS STITCH CHART BY MARIE-ANNE RETHORET-MELIN

This chart with a butterfly motif features a scissor case and scissor fob as well as, most importantly, a [floss-tag](#) to help identify the color used. All items are stitched in deep blue, one of Marie-Anne Réthoret-Mélin's favorite floss colors. The [whole range](#) also includes biscornu (or pin cushion).

The particular hue, Color 4240 from the DMC Color variations range, gently varies from a lighter to a deeper blue tone. It's a real treat to watch the color develop on the fabric as you stitch along.

Together with your chart you will receive a free tutorial by Marie-Anne Réthoret-Mélin, taking you step by step through the process of making a fine scissor case with inner lining. Assembly is very easy, starting with a square piece that is lined then whipstitched into the triangular shape with virtually "no sewing" involved.

This chart was stitched on printed Aida from DMC's Impression range, with a [floral print background](#). The printed fabric gently blends with the stitching creating a beautiful effect.
