COUNTED CROSS STITCH CHART BY MARIE-ANNE RETHORET-MELIN

This colorful chart features a biscornu (pin cushion), a scissor case and scissor fob. It is stitched on printed Aida from DMC's Impression range, with a floral print background. The printed fabric gently blends with the stitching creating a beautiful effect.

Together with your chart you will receive a free tutorial by Marie-Anne Réthoret-Mélin, taking you step by step through the process of making a fine scissor case with inner lining. Assembly is very easy, starting with a square piece that is lined then whipstitched into the triangular shape with virtually "no sewing" involved.
