Colors I love: Turquoise Collection

COUNTED CROSS STITCH CHART BY MARIE-ANNE RETHORET-MELIN

This chart features a large biscornu, a smaller one as well as, most importantly, [a floss-tag](#) to help identify the color used. All are stitched in one of the Marie-Anne Réthoret-Mélin's favorite floss colors.

The particular turquoise hue, Color 4030 from the DMC Color variations range, gently varies from blue to green and from a lighter to a darker tone. It's a real treat to watch the color develop on the fabric as you stitch along.

This chart was stitched on Marble Aida from DMC Needlework fabric range.
