Colors I love: Turquoise Biscornu

COUNTED CROSS STITCH CHART BY MARIE-ANNE RETHORET-MELIN

This chart features a large biscornu. It is part of [whole collection](#) that also includes a smaller biscornu as well as [afloss-tag](#) to help identify the color used.

The particular turquoise hue, Color 4030 from the DMC Color variations range, is one of one of designer's Marie-Anne Réthoret-Mélin's favorite floss colors. It gently varies from blue to green and from a lighter to a darker tone. It's a real treat to watch the color develop on the fabric as you stitch along.

This chart was stitched on Marble Aida from DMC Needlework fabric range.
