## Wishes for every season - Winter

COUNTED CROSS STITCH CHART BY MARIE-ANNE RETHORET-MELIN

Here's a sweet way of welcoming friends and family into your home with various wishes depending on the season.

The winter season wishes are MERRY REJOICE HAPPY NOEL. There are matching spring, summer and autumn patterns with alternative wishes (love, wisdom, harmony...) which are sold separately.

You may also want to compose your very own wishes, using the alphabet.

The pattern can be mounted (see photo) as an ornament that you can hang on a door or a window. It comes with a tutorial showing 4 options for mounting your stitched piece (padded square, mini-cushion, pinkeep and frame) and instructions for each.

While the picture featured here is the French version, the chart includes the English version.
