Gathered for You

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Monique Bonnin

This vintage-style postcard-size pattern is part of an attractive collection of cross stitch postcards, all designed by Monique Bonnin.

It features a simple bouquet of wild flowers, as if picked during a walk in the countryside, offered as a gift for a loved one. The message on the card "Gathered for you" makes the project perfect for a message of thanks or birthday wishes.

The piece was originally designed in French with the text "Cueillies pour vous". If you would rather stitch the French version, just make a request through our contact form after placing your order.

As a special highlight, and to add a bit of glamour, the text and frame are stitched in pink metallic thread. If you are hesitant to work with metallic thread, we recommend using Kreinik metallic thread (Very Fine Braid #4) which is worked in one strand and is very easy to use.

The card can be stitched on either Aida or evenweave, in white, ecru or natural colors.
