Pin-up Girl on the Beach

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Monique Bonnini

Bikini clad in pink high heels, she raises her arms to tie a ribbon in her hair, pin-up style. The catchy motif comes with large font texts evocative of the times: "Summer time greetings - Miami Beach - USA"

Specializing in vintage cross stitch post cards, Monique Bonnini has a talent for reproducing retro style images, evocative of the 50's. This one is a bit larger, more of a mini poster size, and is quite decorative as well as fun.

The piece can be stitched on a white or light background. Here is it shown on vintage marble light grey linen from Zweigart which adds extra dimension to the background.

Body, hair and face have been depicted in cross stitch in wonderful detail. Some half stitches are used to create extra dimension and shade. The chart comes with two extra alphabets and a blank chart if you would like to customize the location.

A cross stitch pattern by Monique Bonnini.
