With all my Heart (With Love)

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Monique Bonnin

Like an old style photo-frame, two children holding a heart are featured in a medallion, surrounded by an elaborate frame of poppies. The irregular medallion outline is emphasized with seed-beads. Featured below comes the text "With Love".

The postcard-size pattern is part of an attractive collection of cross stitch postcards, all designed by Monique Bonnin. This one is perfect for a Mother's day card.

Notice in the lower corner the antique stamp and the postmark with the date of dispatch. These details are actually part of the stitching. The "stamp" can even be personalized with the date of your choice as if it had been sent on that special day (an additional chart is provided with months and numbers).
