## Snowflake angels

COUNTED CROSS STITCH PATTERN BY MURIEL BERCEVILLE

Here is a beautiful classic angel cross stitch pattern but associated with a snow theme, it gives it a special twist. Each little angel, lovingly depicted in cross stitch, is catching an ephemeral snowflake. The pattern was stitched on a chocolate colored linen, using natural ecru silk but you could pick virtually any combination of thread and fabric for this charming monochrome pattern. Pick a lovely triptych frame for this set of three designs. You can present the three pictures horizontally or vertically.
