Ornamental Eloquence

BLACKWORK CHART BY TAM'S CREATIONS

Flowers within a flowers, this blackwork design by Tams Creations is a rich combination of tiny flower motifs, worked in backstitch, and making up a larger 8-petal flower shape. Interestingly, the designer does not suggest any specific floss colors to use. Rather, she suggests you follow your own inspiration to add colors to this pattern and create your very own giant flower. The pattern of the photo was stitched by Linda using solid green floss for the leafs and stem elements and a colorful multicolor floss from Polstitches for the flower elements. What will your own choice of floss colors be?

A design by Tam's Creations.
