Expansion Pack
CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Peacock & Fig

This is a set of 3 classic fabric inspired surface motifs that can be expanded at will. They are designed to let you create extra projects when you buy the Needlecase, Needlebook or Business Card holder items from the Adorned life collection. You can also create any other shapes and objects of your choice with no constraint of size.

There are three full page surface patterns in the pack:

- houndstooth,

- plaid

- mosaic tile

Pictured right are some examples of the Adorned Life items that have been customized using the Expansion pack. The Black and white motifs (black stitching on white background) offer a maximum contrast and present strong visual effects. You could also select your own pair of fabric/floss colors so you can further personalize projects.

Small items like scissor cases, needlebooks and business card holders make great gifts. You'll be able to make as many as you like with this handy expansion pack.

Note: instructions for finishing the objects pictured right are not included in the Expansion pack (but in the original patterns).

This pattern is part of the **Adorned Life Collection**, a series of cross stitch everyday items to make from scratch, designed by **Peacock & Fig**.
