"Game on!"

This spirited cross stitch pattern combines unique style and sense of humour. The piece, in celebration of a wedding anniversary, is sure to become family heirloom.

The two battling horsemen(woman) and their horses, in medieval tournament attire, are depicted in a beautiful range of colors and in exquisite detail. Overall, the pattern has distinctive classic elegance and will easily find its place in the happy (jousting) couple's home.

The chart includes letters and numbers for personalizing the piece with the family name and anniversary dates.
