CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY PEACOCK & FIG

"Show off your style and sass.

Don't forget to ask yourself every time you see this retro chick, "Who's a sexy chick? I'm a sexy chick!"

Dana Batho for **Peacock & Fig**

Beautifully illustrated with a vintage chick, and straight to the point, this is a very impactful and effective design.

We love the way the chick is rendered in cross stitch. It is shown from ground level, it's tiny head pointing to the sky. The embroidery floss colors are a blend of golden hues, with a couple of brown and black highlights. Most stitches are full cross stitches, there are some details in backstitch.

Pair this pattern with a companion pattern and hang them side by side:
