Blackberry Wreath

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouiloff

What a joy to walk in the woods and suddenly spot round the bend a few round and juicy blackberries. They do have an incomparable taste when growing in the wild.

Designer Perrette Samouiloff renders the blackberries in beautiful detail, with their ink-colored berries surrounded at the stem by a tiny crown of green sepals, and their foliage with distinctive tone and shape clearly contrasting with other leaves.

The cross stitch pattern includes some 3/4 cross stitch for the sepals (tiny crown of green leaves that surround the fruit).

The embroidery can be framed as desired in an embroidery hoop or square frame.
