**Caution: Construction work ahead! (large)**

COUNTED CROSS STITCH CHART BY **PERRETTE SAMOUILOFF**

Be very careful as you enter this construction zone. The yellow crane is hauling some heavy construction material while the excavator is digging a large hole. The truck at the back is ready to deliver some concrete while the architects in hard hats are visiting the site.

It's always a little difficult to find themes that are appropriate for stitching for little boys. This one is an absolute delight full of the most interesting detail.

The pattern shown here is the **larger version**. The designer also offers [a smaller chart](#) if you have less time for stitching.
