Cherry Blossom motifs

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

With these pretty florals, this is a very useful and versatile resource for cross stitchers. It can be used for personalizing projects for birthdays, mother's day, weddings, anniversaries and any time you want to make a small personalized gift.

Combine the many motifs, templates and borders, include initials, add a little text. The motifs can be stitched on cards but also on a multitude of small objects such as pouches, small towels, coasters, table mats. The square motifs will also make a cute collection of matching needlework accessories such as a needlecase, pincushion and scissor case. They can be mounted either as biscornu or regular mini cushions.

The chart includes:

- 4 square motifs. Size each: 55 x 55 or 4 x 4 inch on 14ct.
- 1 border motif, can be repeated. Size 105 x 27 or 7 1/2 inch x 2 inch.
- 2 templates:

- * one square with 2 corner motifs (With Love), size 83 x 89 or 6 inch x 6 inch on 14ct

- * the other one rectangular with a single corner motif (Happy Birthday), size 85 x 49 or 6 x 3 1/2 inch on 14ct.

Both are provided with an extra blank chart for text personalization.

- Alphabet in lower case and caps.

Perrette Samouloff is an expert in designing needlework borders and creates the most exquisite and original motifs, full of rich detail in a combination of cross stitch, backstitch, French knots and with occasional 3/4 cross stitch for some details.
