Chicks in a Spring Garden

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouiloff

Here's Chicks in a Spring Garden, Perrette Samouiloff's delightful cross stitch design featuring children watching little chicks exploring the garden, among daffodils and bluebells.

The pattern is designed as a banner but you can also play around with the different motifs, in particular the extra cute border design showing the chicks among the flowers. The ABC can also be used to personalize your piece with your own choice of words.

This cross stitch pattern is perfect for projects to cheer up your home for spring.
