CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

Designer Perrette Samouloff has just created a wonderful collection of miniature Christmas decorations, cute and intricately detailed, including these 6 square-shaped Christmas ornaments. They are super-easy to finish, and all you will need is a bit of stuffing, some beads for embellishing the tips and some gold thread for hanging.

There are 4 larger motifs and 2 smaller ones, measuring about 4 inch/10 cm high hanging from a tip, for the larger ones, and 3inch / 8cm for the smaller ones. The cross stitch chart comes with a well-thought out tutorial to guide you through every step.

The stitching combines cross stitch and backstitch and some pretty seed beads on white or off-white linen (or other needlework fabric of your choice).

You can match these ornaments and decorate a whole Christmas tree with other pretty shapes and motifs created by Perrette Samouloff, such as the [Set of 3 humbug-shaped ornaments](#) and the [Set of 6 Christmas ornaments with Baubles and Hearts](#).

**Tip: Hand stitched Christmas ornaments also make wonderful gifts.**
