Christmas Decorations: Set of 3 Humbug-shaped ornaments

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

Designer Perrette Samouloff, better known for her larger designs has created a wonderful collection of miniature Christmas decorations, intricately detailed, including these 3 humbug-shaped Christmas ornaments that are made from a single rectangle of fabric, and super fun to finish. All you will need is a bit of stuffing, some beads for embellishing the tips and some gold thread for hanging.

Each ornament measures about 3 inch/8 cm high once mounted. The humbug shape is a lot of fun to create and the cross stitch chart comes with a well-thought out tutorial to guide you through every step.

The stitching combines cross stitch and backstitch and some pretty seed beads on white or off-white linen (or other needlework fabric of your choice).

You can match these ornaments and decorate a whole Christmas tree with other pretty shapes and motifs created by Perrette Samouloff, such as the [Set of 6 ornaments with Yuletide motif](#) and the [Set of 6 Christmas ornaments with Baubles and Hearts](#).

Tip: Hand stitched Christmas ornaments also make wonderful gifts.
