COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

Here are four pretty ornaments in a square shape that complement Perrette Samouloff's first series of [Christmas Ornaments](#). They will work beautifully on natural raw linen but you can also have fun stitching them on color linen in blue/green/red/ivory depending on the design. There are four different motif: one with a teddy bear, one with a rocking horse, one with Santa and the final one is a floral wreath.

The patterns are designed for making ornaments to hang on your Christmas tree, from one of the angles. Add tassels or beads to the opposite end. Detailed instructions are supplied in a separate tutorial for mounting the ornament and making a ribbon tassel.

As they are perfectly square, these patterns can also be used for making biscornus.
