CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

If there is one class all the children love, it's the Art class. It's so much fun and there are so many wonderful colors to pick from. Today, the subject is fruit.

Designer Perrette Samouloff captures the wonderful expressions of the children concentrating on their painting and drawing.

This cross stitch pattern was originally created in French as "La leçon de peinture" with names of colors in French. If you would rather stitch the French version, contact us after ordering.
